Quick Summary

JoshBrown.io is a consultant, not an agency. Josh Brown works directly on every campaign — no account managers, no handoffs. All engagements follow a four-step framework: Discovery, Strategy, Execution, and Optimisation. Primary focus: Personal injury law. Also serving: family law, criminal defense, immigration, military defense. 15 active campaigns. 100+ law firms.

CONSULTANT, NOT AN AGENCY

JoshBrown.io operates as a consultancy, not an agency. The agency business model is optimised for profit, not for clientele — slow, bloated infrastructure built on high cost and poor-skilled operators. As a consultant, Josh Brown works directly on every campaign at an effective investment level, optimised for maximum ROI. Your CEO is on your campaign.

PHASE	TIMELINE	FOCUS
01 — Discovery	~2 weeks	Full SEO audit, competitor analysis, search intent mapping
02 — Strategy	~1 week	Documented roadmap, keyword plan, content calendar — before execution begins
03 — Execution	Ongoing	SEO, PPC, content, links — launched with full tracking from day one
04 — Optimisation	Ongoing	Monthly reviews, CRO testing, algorithm response, quarterly strategy

The 4-Step Campaign Framework

01

PHASE ONE

Discovery

Before any work begins, Josh Brown conducts a comprehensive discovery process to establish the factual foundation every campaign decision is built on.

- Full technical SEO audit — crawl, speed, Core Web Vitals, structure
- Competitor keyword analysis across top-ranking law firms in your market
- Search intent mapping for all primary and secondary practice area terms
- Google Business Profile and local citation audit
- Backlink profile review — yours and top three competitors
- Conversion rate assessment of existing website and intake flow

DELIVERABLES

- Written audit report with prioritised action list
- Competitor gap analysis
- Keyword opportunity map
- Baseline performance benchmarks

02

PHASE TWO

Strategy

Discovery findings are translated into a fully documented campaign roadmap — delivered to the client before a single link is built or page written.

- Keyword architecture — primary, secondary, and long-tail by practice area
- Content calendar with topic clustering and semantic SEO structure
- Link building plan — target domains, authority thresholds, outreach schedule
- PPC account structure (if applicable)
- LLM citation optimisation plan for AI-generated answer presence

DELIVERABLES

- Documented campaign roadmap (PDF)
- Keyword strategy document
- 90-day content calendar
- PPC account structure (if applicable)

03

PHASE THREE

Execution

With the strategy approved, campaigns launch across all agreed channels simultaneously. Precise, tracked, and built for qualified lead generation — not vanity metrics.

- On-page SEO — title tags, meta, headers, schema, internal linking
- Technical fixes — crawl, speed, Core Web Vitals, mobile
- High-authority link building with full anchor text strategy
- Content production and publication against the approved calendar
- GBP optimisation and ongoing citation management
- PPC campaign launch with conversion tracking (if applicable)
- 24/7 live reporting dashboard setup

DELIVERABLES

- Live 24/7 dashboard access
- Monthly link building report
- Content publication log
- Weekly status update

04

PHASE FOUR

Optimisation

Campaigns are never set and forgotten. Every month, performance data is reviewed, tested, and acted on to turn good results into dominant market positions.

- Monthly performance review against baseline KPIs
- CRO testing on landing pages and intake forms
- Algorithm response — rapid adjustments when needed
- Keyword ranking movement tracking with gap identification
- AI search monitoring — LLM answer presence and citation tracking
- Quarterly strategy review — roadmap updated based on data

DELIVERABLES

- Monthly performance report (PDF + dashboard)
- Quarterly strategy review document
- CRO test results

Frequently Asked Questions

How long does it take to see results?

SEO and content strategies generate measurable traction within 3–6 months. PPC can deliver qualified leads within weeks of launch. A clear timeline is provided at the strategy phase.

Do I need to sign a long-term contract?

No. All retainers are month-to-month with 30-day cancellation notice. JoshBrown.io operates as a consultancy, not an agency. Agencies are optimised for profit, not clients — slow, bloated infrastructure built on high cost and poor-skilled operators. As consultants, Josh Brown works directly on every campaign at an effective investment, optimised for maximum ROI.

Who will I work with directly?

You work directly with Josh Brown. No account managers, no juniors, no handoffs. Every strategy decision and report comes directly from Josh.

Is marketing compliant with ABA rules?

Yes. Every campaign is designed to align with ABA marketing compliance guidelines and state bar advertising regulations. Ethical, client-centred marketing that protects the firm's reputation.

What practice areas do you serve?

Primary focus: Personal injury law. Also: family law, criminal defense, immigration, and military defense. 100+ law firms served. 15 active campaigns.

Can you run SEO and PPC at the same time?

Yes. Full-scope campaigns covering SEO, PPC, content, local search, and reputation management run simultaneously. Data from paid campaigns informs organic strategy and vice versa.

What does reporting look like?

Clients receive 24/7 access to a live dashboard, weekly status updates, and a comprehensive monthly performance report. Every metric tracked, every win documented, every loss explained.
